

We at BlueModus, Inc. respect your privacy. We want to make use of individual identifying information that you provide to us for purposes of serving you better. "Individual identifying information" is information that enables us to identify you, such as your email address, name, title and address. BlueModus uses the individual identifying information in order to personalize your experience on our website and also to be able to selectively send you communications that may be of interest to you, either electronically or otherwise. As we strive to keep pace with new and innovative ways to serve you, we remain committed to maintaining your privacy. This Online Privacy Statement is made available to you in order to make you aware of how BlueModus collects and uses individual identifying information of visitors to our website.

Privacy Statement

We collect the domain name and e-mail address (where possible) of visitors to our Web page, the e-mail addresses of those who communicate with us via e-mail, user-specific information on what pages you access or visit, information volunteered by you, such as survey information, site registrations, and your preferred means of communication.

The information we collect is used to improve the content of our Web page, used to customize the content and/or layout of our page for each individual visitor, and may be used to contact people for marketing purposes.

From time to time, we may use client information for new, unanticipated uses not previously disclosed in our privacy notice. If our information practices change at some time in the future we will post the policy changes to our Web site to notify you of these changes and provide you with the ability to opt out of these new uses. If you are concerned about how your information is used, you should check back at our Web site periodically.

Choice/Consent

Clients/visitors may prevent their information from being used for purposes other than those for which it was originally collected by e-mailing us at support@bluemosus.com.

Upon request we offer visitors the ability to have inaccuracies corrected in contact information. You can have this information corrected by writing to us at the address below.

Data Security

With respect to security: We have appropriate security measures in place in our physical facilities to protect against the loss, misuse or alteration of information that we have collected from you at our site. BlueModus is committed to taking reasonable steps to protect the individual identifying information that you provide to us.

Cookies

We use cookies to record user-specific information on what pages users access or visit. Cookies are small data files that certain Web sites write to your hard drive when you visit them. A cookie file may contain information such as a user ID that the site uses to track the pages you've visited, but the only personal information a cookie can contain is information you supply yourself. A cookie is not able to read data off your hard disk or read cookie files created by other sites.

If you prefer not to receive cookies on bluemosus.com, you can set your browser to warn you before accepting cookies and refuse the cookie when your browser alerts you to its presence. You can also refuse all cookies by turning them off in your browser. You do not need to have cookies turned on to use any area of our site.

If you do not want to receive e-mail from us in the future, please let us know by e-mailing us at support@bluemosus.com.

If you supply us with your postal address on-line you may receive periodic mailings from us with information on new products and services or upcoming events. If you do not wish to receive such mailings, please let us know by e-mailing us at support@bluemosus.com.

With respect to Ad Servers: We do not partner with nor do we have special relationships with any ad server companies.

E-Mail Communications:

BlueModus, or those with whom BlueModus has a business relationship, will use e-mail to

communicate with our clients, respond to visitors' e-mails, or to inform about events or new products. BlueModus will not send commercial solicitation via e-mail to individuals who request it not be sent.

Children:

BlueModus does not currently target its online services to children under 13 years of age; and BlueModus has no intention of collecting any information from children under 13 years old. However, some of our sites do contain links to content providers that collect such information. These companies are expected to comply with all laws pertaining to the collection of information from children. Because the Internet offers open access to a wide range of information, it is important that parents supervise and prevent access to inappropriate content, email or chat sessions.
